Dear Community Partner,

Please consider joining us as a sponsor for a special afternoon benefiting Loud Women Lead (L.W.L.). "Officially Crowned: The Bun Ministry Experience" will occur at Crozier Hall on Saturday, July 9, 2022. For two years, The Bun Ministry has taken everyone to church to support all things natural hair and authenticity.

In October 2020, Emmy award-winning journalist Tashara Parker, founder, and C.E.O. of the Bun Ministry sparked a global conversation following backlash over a natural bun hairstyle she wore on-air. Her response achieved virality, igniting a national discussion surrounding natural hair discrimination and evolving organically with the launch of her "Bun Ministry" movement.

As part of this experience, our 501C3 Loud Women Lead organization has partnered with small business owners and leaders who make an enormous social impact on the community—capturing more than 250 attendees worldwide. The C.R.O.W.N. Act (Create a Respectful and Open Workplace for Natural Hair) is a law forbidding hair texture and hairstyle discrimination. Tasharas' natural hair journey, professional success, and regard for education offer an invaluable perspective on the challenges many others have in natural hair today, including those working in corporate America, private enterprise, and education. Officially Crowned embodies an essential component of our mission to encourage men and women to show up fully as their authentic selves.

Your sponsorship enables our organization to impact 310K of our social media followers daily. We are hosting a series of educational events and workshops throughout the year. In support of the L.W.Ls mission, we will continue developing a rapidly budding space to celebrate, educate and empower individuals on the journey and love for all things natural hair.

The afternoon promises to be an unforgettable experience. A private event will be held at the historical Crozier Hall venue beginning at 11:00 am, followed by Live demonstrations at noon. Our select panelists will hit the stage at 1:00 pm, saving the best for last, a V.I.P. reception in the private lounge where each of our sponsors will receive an opportunity to meet the panelist. Partnerships with Loud Women Lead organization thrives by reaching and teaching everyone willing. We seek out top minority business owners, executives, artists, and creative innovators who acquire the determination to change the world, one mission at a time.

For your convenience, a sponsorship form is enclosed, and we ask that you respond by June 17, 2022, to be included in the event program and other sponsor materials. Thank you for your support of Loud Women Lead as we present our second "Officially Crowned: The Bun Ministry Experience."

Warm regards,

Tashara Parker
